Opportunity for Trainee – Timber Joiner to start their career. Apprenticeship will be offered to the right applicant.

High-end Silverdale based Timber Joinery

Working hours approximately 40 hours per week

Nicks Timber Joinery is a well-established business that has built a reputation for supplying high quality joinery to the NZ market for over 30 years. We believe that good joinery is an art and requires skill and care.

Job description

Full time position available for a Trainee Timber Joiner in a high-end Silverdale based Timber Joinery company in the timber window and door manufacturing industry using the latest modern machinery.

As our newest Trainee Timber Joiner, you will assist the team in manufacturing a full range of timber joinery products including interior and exterior doors and windows, bi-folding doors, cavity sliders and more, ensuring the end product is of the highest standard. This is a great opportunity for someone who is passionate about working with timber and wants to get their foot in the door.

You may have previously worked in the back of a garage growing up, or have been looking into a Timber Joinery career, either way we want to hear from you if you:

- Are a fast learner and able to use your initiative
- Are hardworking, reliable and honest
- Enjoying being hands on and working on woodwork projects
- Having an understanding and have some experience with basic hand tools and power tools will be an advantage
- Being a team player and able to work well in a team environment
- Having experience working autonomously with great time management skills
- Have a great attitude, sense of humour and plenty of drive

Please note that this role is approximately 40 hours per week with overtime required at times to enable us to meet deadlines.

You will be trained in all aspects of exterior timber joinery. Learn to work at a very high-end bespoke level.

Responsibilities:

Initial General Duties would include - spray painting - cleaning up workshop - picking up and dropping off materials and finished products, keeping the workshop and timber rack tidy and assisting the Timber Joiners.

Experience required:

- Successful candidate must have a full driver's licence and be able to drive a manual – being able to back a trailer would be an advantage.
- Well organised and confident with an eye for detail.
- Keen to learn, an interest in timber joinery, initiative, punctuality and a good work ethic.

When familiarity and competency of this role is achieved then training will be given on the machinery and a full apprenticeship offered to the right applicant.

If this excellent opportunity sounds like you, please apply now with your CV and Cover Letter or for more information please email us to admin@nicks.co.nz

Applicants for this position need to have the current legal right to work in NZ.
