

Middle School News

Message from the Head of Middle School

Dear Parents and Caregivers

Haere Mai and welcome to the school year in 2022. I would like to extend a very warm welcome to all our Middle School families, both those returning and those joining us for their first time. Settling in to new classes and routines takes time but our young people are well supported and loved.

Middle School teachers have planned programmes for students to grow spiritually, academically, socially, physically and emotionally. It is our heart to help our young people grow in faith and strength so that they can navigate the year with Jesus at the centre.

We are prepared for the various contexts that living in this pandemic will bring. This will ensure that our students are well supported and educated through the process. While we are prepared, we are careful not to make our main focus the pandemic itself so that our students can experience school as normally as possible.

Homeroom teachers email their parent body each week. Communication also comes to you via the KingsWay School app. Please do download this as you will see all the daily student notices which are read to students and other alerts. Then of course we communicate via our official KingsWay School facebook page. This is a separate page than the KingsWay Parent Connect one which is for parents themselves. We have our website for your reference and you will receive emails also to inform you of things such as sport registrations.

You will see the permission slips for the term enclosed. Please complete these now to help with planning.

Please join our staff in committing to pray for God's Holy Spirit to do His work in their lives and in our school and for good health for our community.

Ngā Mihi

Lisa Lambert

Deputy Principal Middle Years

Travel and Parking

Please read our KingsWay School [transport regulations](#) and our school [Travel Plan](#).

Please note that at the **Senior Campus** there **is no parking in the school grounds** in the morning or afternoon to drop-off or pick up students. Students must be picked up outside the grounds. Please do not block Jelas Rd by forming a long queue up the road. It is better to park on surrounding streets to wait for Middle and Senior School students. Please be considerate to our neighbours and refrain from parking in Jelas Road.

ACTION POINTS

- Permission Forms**
 Please complete these by **Thursday, 18 February**.
 See page 12 for details.
- Activity/Subject Costs**
 Please make payment or return the Payment Plan Request Form by **Friday, 25 February**.
 See pages 8-11 for details.
- Stationery Items**
 Please ensure you have paid for the subscription items on the Stationery Lists . See page 7 for a summary of these.
- Checking your school account**
 To see the current status of your child's account at KingsWay, log into the Kamar Parent Portal and go to the financial section. You can view what is outstanding, payments made, and whether you have a credit balance.
 Items shown include all Activity & Subject Costs, Subscription Costs, Camp Costs and Special Character Donations.

YEAR 7 : Term 1 Overview

“What is the Kingdom of God and what is its culture?” “How should I respond? “

Biblical Studies and Social Studies

Integrated Unit: ‘Culture Carriers’

Over this term, we introduce the concept of culture as being made up of beliefs, values, customs and heritage. We look at these aspects of culture in a number of contexts, including our homes, classrooms, KingsWay School and related to different countries. We aim to embed these ideas and help them make connections between biblical concepts, themselves and the world around them. We begin the year by getting to know each other and considering the culture of KingsWay School and what rights and responsibilities they have as students of KingsWay. We consider the culture that we carry into the classroom and what kind of culture they would like to create and be a part of.

Students will hear, read and share the Gospel message; that is, how they can enter God’s kingdom themselves by receiving Jesus’ free gift of salvation. We will begin to establish how they could respond and grow in their understanding of what it means to be a citizen of God’s Kingdom and how God’s plan for us, who carry the Kingdom of God within, can share it with the world.

Students will learn about New Zealand’s bicultural heritage and its multicultural landscape. For the latter part of the term, there will be a focus on the cultures of the Pacific Islands.

English:

Written Language

Students will write for a variety of purposes, including enjoyment. Students will be led

through a process of planning, drafting, editing and improving their work and some pieces will be worked through to publishing. Students will write an informative report on a personal coat of arms that they create later in the term. Year 7 also has a year-wide focus on grammar, punctuation and other important building blocks of writing which will also feature in their Home Learning.

Reading

Students will learn to enjoy and to be confident readers of material at their level. In Term 1, they will be taught specific skills to help them understand and engage with what they are reading, which will be a range of fiction and non-fiction texts. There will be specific foci on summarizing and making connections.

Visual Language

Students will use colour and symbols to create a personal coat of arms that will reflect their heritage, customs values and beliefs.

Oral Language

Students will be encouraged to interact with classmates in pairs, small groups and the whole class context. There will be informal and formal opportunities to share their ideas orally. Towards the end of the term, students will present their coat of arms with classmates with an importance placed on volume, expression, eye contact and content.

Science

We will look at why we study science and how it is used in understanding all aspects of

life that God created. We will then introduce students to safety in the laboratory, the equipment that we will be using and how to use them correctly. Students will be taught how to correctly light a Bunsen burner and then use it in an experiment.

Physical Education

Students will explore Adventure Based Learning activities and striking and fielding games that promote integrity, honesty, and active participation. The key competency foci will be Participating and Contributing and Relating to Others.

Mathematics:

Students will continue to practice and build on their knowledge and skills in the number strand, including multiplication, division, addition and subtraction using whole numbers, fractions and decimals. The strand focus this term is measurement which enables students to use number skills in practical ways.

Ms Megan Welch, Head of Year 7

For information on learning in Year 7 Rotational Subjects please click on this link: [Year 7 Rotational Subjects](#)

Year 7 Cultural Trip: Te Hana Te Ao Marama—Postponed

Year 7 Corbans Estate Art Centre Trip—Cancelled by the provider

YEAR 8 : Term 1 Overview

“How can I deepen my understanding of the Bible and His creation to gain a deeper understanding of the character of our God and His creation?”

Biblical Studies:

Students will develop their love of God’s Word through intentional study of scriptures. The creation narrative as set out in Genesis 1-3 gives orientation for much of the Christian story. Students will focus on the character of God and His creation through meaningful and insightful study of scripture, this will be unpacked using a great resource, The Gospel Project.

A memory verse, which is dedicated to our theme, will be discussed each week in class during Life Lab.

Social Studies:

During the first part of the term our overarching theme of “Wonders of Nature” will be explored across all of the curriculum areas. Students will explore the geographical locations of the Seven Natural Wonders discovering the history, landmarks, influential people and why it is considered a wonder. Students will be creating a travel brochure. During the second part of the term, we will begin our second unit focussing on Sustainability. Students will explore various issues related to sustainability, they will discover the impact on God’s creation and focus on some practical solutions. Students will create a physical model to represent the change in a community over a hundred year period.

English:

Written Language

Incorporating the theme, ‘Wonders of Nature’, students will be learning about information reports and how to write them

effectively. Students will learn how to use precise, topic specific language to convey meaning. During the second part of the term we will focus on Poetry. Students will learn about various forms of poetry and poetic devices. The unit will be completed by writing a poem related to the theme, ‘Sustainability’.

Students will be using a spelling programme, Spellzone, to support their vocabulary development.

Reading

Our objective is to encourage students to read with purpose and for enjoyment. Students will learn to skim and scan for important information, explore the intended meaning of the author/illustrator, identify the main ideas, summarise what they’ve read while focussing on reading with a Biblical Worldview lens. Our focus this term is using a range of skills to source information and decode a variety of texts.

Oral Language

Students will take on the role of a travel agent to present their brochure of one of the Seven Natural Wonders.

Visual Language

This is integrated with Social Studies

Science

Students will focus on what Science is and the branches of Science. We will also cover Safety in the laboratory and correct procedures when using equipment during experiments. We will then study the classification of living and non-living things, examining why this is

so important in understanding all of God’s wonderful creation.

Physical Education

Through the weekly PE lessons students will explore skills and strategies of belonging to a team, building positive relationships, and taking risks.

This will take place through tag games, striking and fielding games and modified team games. The key competency foci will be Participating and Contributing and Managing Self.

Mathematics:

Students will be focusing on foundational maths knowledge, skills and strategies across Number, Geometry and Problem Solving. They will be extending their thinking laterally and through inquiry where they can put maths into action. Our aim is for Year 8 students to know their basic facts and be able to recall them instantly. Students will be using Education Perfect at home and in class to support their maths learning.

Mrs Melanie van Rooyen, Head of Year 8

For information on learning for Year 8 Rotational Subjects please click on this link: [Year 8 Rotational Subjects](#)

Year 8 Term 1 Trip: Tiritiri Matangi

Friday, 11 March: 8JPS and 8SPO

Wednesday, 16 March: 8KTA and 8MVR

Thursday, 17 March: 8JCH and 8MST

Year 8 students will be transported to Gulf Harbour ferry terminal by bus and then catch the Fullers Ferry to Tiritiri Matangi Island.

Departure: Buses will leave KingsWay School at 9:00am

Return: Fullers ferry returns to Gulf Harbour terminal at 4:00pm, buses will then transport students back to KingsWay School with approximate arrival of 4:30pm.

This is an opportunity for Year 8 students to explore our beautiful country. The purpose of this trip is to demonstrate leadership and stewardship for our environment and Gods creation. Being one of New Zealand’s Natural Wonder’s, we will be exploring Tiritiri Matangi in search of it’s history, landmarks and beauty.

We do need parent help to make this trip a success. If you can help, please indicate your availability on the reply form.

Please complete the online permission form on the school website: <https://kingsway.school.nz/middle-school-events-trips/>

YEAR 9 : Term 1 Overview

“What determines human worth and value?”

Biblical Studies:

The Psalms – ‘Getting Real with God’ – aiming to give students a better understanding of the character of God, and they can and should respond to Him. This understanding comes by studying the expressions of a relationship with God that are found in the Psalms. We also aim to equip students to engage directly with the Bible through the development of textual analysis skills.

Social Studies:

In a unit titled Broken Promises: We’re all equal and free? Students will be taking an in-depth look at the impact of colonial actions in the 18th and 19th Century, both in New Zealand and overseas, with particular focus on the Treaty of Waitangi and the Atlantic Slave Trade. They will also explore the issues of justice and personal responsibility from a biblical viewpoint.

English:

Students will be focusing on Poetry and narratives this term.

Written Language

Our major focus for the term is on writing Narratives. Students will learn how to write cohesively and coherently using the appropriate structure. They will also learn to use language features to sustain reader interest. An increasing use of complex punctuation and vocabulary will be a focus throughout the year.

Reading

A variety of poems and texts will be read and analyzed by students. Students will learn to use inference independently, and to understand the author’s point of view and the main idea being expressed. They will understand how language features are used for effect in poetry and narratives, and learn how to make connections between texts. This links well with our Psalms focus.

Oral Language

Students will be involved in group and class discussions and will recite a poem of their choice to the class. They will also create a vlog as part of their Social Studies topic.

Visual Language

Students will create a Social Studies cartoon that uses visual language features to create meaning and convey purposeful ideas.

Science

The focus this term will be the Science fair projects. Students will engage on working with an experiment that finds a solution or answer to a question that they have formulated. We will be examining the scientific process and how we will use it to effectively carry a science investigation this term. We will be doing experiments so that students will get to understand how the scientific process works.

Physical Education

This term students will play a variety of international games with a focus on game strategy and the enjoyment of exploring new cultures and valuing all people. The key competency foci will be Managing Self and Relating to others.

Health and Well Being

Personal Identity, Belonging and Living in my strengths will be the Health and Wellbeing focus. Through class activities, creative projects, group work and self-reflection students will continue to understand who they are in Christ and why they are truly unique.

Through the Strength Explorers programme students will explore (and build upon from 2021) their top three strengths and how they can use these to grow as an individual, maintain healthy relationships with others and seek God’s calling on their lives.

Mathematics:

The topics covered will be Whole Numbers, Integers, Fractions, Decimals and Percentages. Students will cover work on Measurement and have opportunities for problem solving and investigation.

Mr Pierre Barnard, Head of Year 9

For information on learning for Year 9 Option Subjects please click on this link: [Year 9 Option Subjects](#)

Year 9 Term 1 Event: Bi-cultural Day

Tuesday, 15 March

As part of the Year 9 study of the Treaty of Waitangi and early New Zealand, students will participate in a Bi-cultural day onsite at school.

Uniform

Please support us in upholding the standard of uniform and appearance for our students.

As per Mr G Budler, "Please don't spend money purchasing non-regulation shoes or clothing that do not comply with our uniform expectations. We will also be following up on makeup and jewellery standards. If you are unsure of our rules and expectations, please refer to the KingsWay website <https://www.kingsway.school.nz/our-school/middle-school/parent-information/middle-school-uniforms> . We do not want to make this a key focus of the year but are committed to upholding high standards of dress and behaviour. "

If your child has a medical reason for alternate shoes, please supply a medical note and inform their homeroom teacher. Alternate shoes must be all black.

Student Telephone Use

Students are not permitted to use their mobile phones at school between 8:40 am and 3:10 pm. Mobiles used between these hours will be confiscated and students will need to collect them from the Middle School Administration Office on the agreed date.

Students may only use the school telephone in an emergency.

The following situations are not considered emergencies:

- Forgotten equipment or PE gear
- Arranging after school activities

Please ensure all arrangements for getting home after school are clearly communicated to your children before they come to school, particularly if arrangements are different to usual practice for your family.

Refunds for cancelled events

Refunds will be calculated at the end of each term for cancelled events. More information will follow.

Year 8 School Based Immunisation Programme: HPV

As a part of the Waitemata District Health Board's (WDHB) school based immunisation programme, Year 8 students (boys and girls) are offered the Human Papillomaviruses Vaccination (HPV).

Every Year 8 student will be given a form to take home; this form will need to be completed and signed by a parent or caregiver and returned to school whether consenting or non-consenting to the immunisation.

Below are links that may assist you in your decision process. Also speaking with your child's doctor or practice nurse may be helpful:

Ministry of Health Videos - HPV Immunisations: <http://goo.gl/aRF1A1>

Ministry of Health: <https://goo.gl/pwxVJT>

Immunisation Advisory Centre: <http://www.immune.org.nz/>

Communicating with Teachers

- Wherever possible, use email to correspond with the homeroom teacher. Teachers are expected to answer school emails between 8.30am and 5pm with the aim of replying within 24 hours.
- If the issue is more serious or confidential you can arrange a personal interview with the person you wish to see by emailing them directly or calling the main office. The Head of Learning (HOL) or Dean may be contacted (see page 13). Contact information for all Middle School teachers appear on page 13 of this newsletter.
- Please make a formal appointment if you wish to see a teacher. This can be done by emailing the teacher involved and agreeing on a mutually acceptable time between 9.05 am and 3.30pm. Unfortunately we cannot do impromptu meetings before school as our students need us but will meet with you by prior appointment. If you wish to meet the Deputy Principal Middle Years, please contact the Middle School Administrator, Mrs Andrew, on 09 427 0940 or by email: Angela.Andrew@kingsway.school.nz .
- Often, whole Middle School correspondence will include a reply form of some sort which needs to be completed as soon as possible - these are usually online forms. Any paper forms please return as soon as possible to your child's homeroom teacher or email to Angela.Andrew@kingsway.school.nz .
- Your child's homeroom teacher will communicate with you by email on a weekly basis. Please ensure that we have your correct email address and check your emails regularly for updated information on what happens in terms of Home Learning and general news from your child's class and the Middle School.

Absentee Procedures

Student Attendance Quick FAQ:

Late to school?

Student to go to the school library to sign in on the Vistab and receive a Late Arrival Slip to get into class.

Signing in late requires a 1) Parent written note / email/app notification OR 2) Parent signature in person at the Student Reception OR Medical excuse provided by a Doctor.

Leaving Early?

Student to go to the school library to sign out on Vistab. (When the student returns from the appointment they have to sign back in on Vistab)

Signing out early requires a 1) Parent written note / email / app notification OR 2) Parent signature in person at the Student Reception OR Medical excuse provided by a Doctor.

Feeling Sick?

Students who become sick, or injured, during school hours, must report to the Health Centre. Only when a parent or caregiver has been contacted by the Nurse or office staff, will the student be released. Students are NOT to text parents/caregivers to collect them from school, without following the correct procedures. We need to know where students are at all times. This is for safety reasons.

Medical certificates are required after 5 or more consecutive absences due to illness.

Absent from school?

Absences can be reported in four ways:

- Email to absences@kingsway.school.nz
- Phone call from Parent (leave a message on the absentee line: 09 427 0900 and enter 1 to leave your message)
- Through our School App
- Signed Parent Note

Absentee notifications can only be accepted from parents or caregivers.

Students are not permitted to report their own absences.

Need to Request a Planned Absence?

For absences that are not sickness related parents need to apply to the Deputy Principal Middle Years for permission prior to leaving. Parents are asked to try and plan their family holidays during the set school holidays.

Requests for special leave or for family holidays should be directed to the Deputy Principal Middle Years in writing or by emailing. Please direct these emails through the Middle School Administrator: Angela.Andrew@kingsway.school.nz

2022 Stationery—Subscription Items

Middle School

The following items from the stationery lists should already have been purchased.

If you are not sure whether you have paid for these items, please login to the Kamar Parent Portal and go to the financial section to check the status of your account.

Payment methods available to pay for these subscription items:

- Pay through OfficeMax MySchool <https://www.myschool.co.nz/Kingswaymiddle> (only available until mid-Feb)
- Direct payment into the Middle Years account: 12-3084-0192348-54
Please reference payment with: Student's name (SURNAME Firstname), Student ID Number and STAT
- Pay by EFTPOS at the main reception

Term 1 Permission Reply Forms

Please complete online reply forms for the following events by Thursday, 24 February.

Note: you will need your child's ID Number to complete these forms - this is a 5 or 8 digit number which you can find on the KAMAR Parent Portal, at the top right underneath your child's name. It would be worth keeping this number for future use.

All permission forms for the following events can be accessed from the School Website under Middle School Parent Information: <https://kingsway.school.nz/middle-school-events-trips/>

Year 7 - 9 General Permission Form for Local Area Activities

Blanket Permission Form—Local Area Activities only

By completing this form you are giving a blanket permission for your child to participate in any offsite activity within walking distance in the local area.

Examples of activities included in this permission form would be training for Cross Country on the Estuary Walkway or participating in the Athletics Day at Metro Park.

Where an event involves travelling by bus to the venue or risk exposure greater than what would typically be the case at school, such as adventurous activities or hazardous environments or the event continues overnight, specific consent will be required.

Year 7 Trips

No Year 7 Trip this term

Year 8 Trips

Year 8 Trip (Tiritiri Matangi) —

Friday, 11 March:	(8JPS and 8SPO)
Wednesday, 16 March:	(8KTA and 8MVR)
Thursday, 17 March:	(8JCH and 8MST)
