

KINGSWAY SCHOOL

MUSIC TUITION PROGRAMME 2025

Music Tuition Programme

Enrolment Information

The KingsWay Music Tuition programme provides 30 minute small group lessons to Year 7 - 13 students wishing to learn new instruments, or to support students taking Music as a curriculum subject. Individual lessons are still available through our private music providers for all ages. Lessons in the programme are limited - if your student misses out we encourage undertaking lessons through the onsite private providers.

Lessons will be held during academic class time. Music lessons are considered by the Ministry of Education as part of the curriculum and any absences from class time are excused. It may be possible for a lesson time to be re-scheduled to avoid clashing with assessments or class trips. Lessons will be scheduled on a rotating timetable to avoid missing too much of the same classes.

These lessons are specifically for Year 7 - 13 students. Students Year 6 and under who are interested in learning a musical instrument are encouraged to undertake lessons through the private providers who also tutor from the Junior Campus. To sign up please follow [link](#).
