Information Pack 2026

Music Tuition Programme 2026

From 2026, KingsWay School is launching a new structure...

We're excited to let you know that from 2026, all instrumental and vocal lessons held during school time will be offered directly through our new KingsWay Music Tuition Programme. Families will be able to choose from individual or small group lessons, taught by our excellent team of teachers who are committed to nurturing students musically and upholding our school's special character.

This new structure allows us to offer a more coordinated, consistent, and enriching experience for our students – across both Primary and Secondary campuses.

Why this new approach?

- Clear, streamlined communication
- Seamless lesson scheduling
- Strong alignment with KingsWay's special character
- A professional team of teachers
- Easy, school-managed sign-up and administration
- A learning environment where students are supported holistically from Year 1 through to Year 13

- Tuition integrated more closely with our wider music pathways
- Administration and lesson coordination

How Lessons Work

Lesson Timing:

- Lessons take place during school hours
- Senior Campus (Years 7 - 13): Students follow a rotating timetable, ensuring they don't miss the same class each week
- Primary School (Years 1-6): Students will have a set time each term
- Timetables will be sent through at the beginning of each term.

Music lessons are considered by the Ministry of Education as part of the curriculum and any absences from class time are excused. It may be possible for a lesson time to be re-scheduled to avoid clashing with assessments or class trips.

Attendance and Communication:

- We track attendance carefully and follow up as needed.
- All communication is centralised through our Music Department for clarity and consistency.
- Students are expected to participate in lessons for the full year.
- Students in group lessons who miss three or more lessons in a row without valid reason will forfeit their lessons with **no refund** as this is an administration fee. Students wishing to withdraw from lessons will need parental notice four weeks in advance.

Make-Up Lessons:

Makeup lessons will not be provided for Group or Individual lessons.

Individual Lessons: If 24 hour advance notice is given for a missed lesson, you will not be charged for the lesson. If a teacher is absent for a lesson, you will not be charged.
